*TITLE:* Supplemental Nutrition Assistance Program Requirement for National Directory of New Hires Employment Verification and Annual Program Activity Reporting

*OMB CONTROL NUMBER:* 0584-NEW

*SUMMARY OF COLLECTION:* In an interim final rule, FNS will amend the SNAP regulations at 7 CFR 272 to require State agencies to access employment data through the National Directory of New Hires (NDNH) at the time of certification, including recertification, to determine eligibility status and appropriate benefit amount for SNAP applicants. This requirement codifies Section 4013 of the Agricultural Act of 2014 (P.L. 113-79).

*NEED AND USE OF THE INFORMATION:* National Directory of New Hires, State agencies are required to compare identifiable information about each household member against data from the NDNH at the time of certification and recertification. This comparison will be used to determine the eligibility status of the household and determine the correct benefit amount the household should receive.

The data reported on the Program Activity Statement (FNS 366B) enables FNS to identify areas that may need improvement and to provide more effective technical assistance to State agencies. An increase in reporting frequency will allow for greater access to timely program data. It will help States, FNS, and other stakeholders identify trends, inconsistencies and inefficiencies earlier in each fiscal year. FNS uses the data to monitor State agency activity levels and performance and to target technical assistance to State agencies in need of performance improvements.

*NUMBER OF RESPONDENTS:* 891,125
